

25–200 mm
CLEVER LEVEL

**Adjustable terrace pedestal.
When the price is most important.**

Your own slab terrace

The Clever Level series allows for the installation of slab terraces in the range of 25 to 200 mm. The pedestals have built-in 3 mm spacer tabs that create even gaps between the slabs. They are ideal for home terraces and balconies - they are lightweight yet durable, allowing for quick installation without unnecessary tools.

For paving slabs

For joists

CLEVER LEVEL features

-  A unique 2-in-1 pedestal for paving slabs and joists
-  Intuitive - perfect for DIY projects
-  The most favourably priced
-  Just 3 pedestals give you an adjustment range from 25 to 200 mm
